

A WORD ON WINE

Welcome to Sebastiano's Italiano

Thank you for joining us!

I'm Chef Jonathan Sagaser and I'm excited to present to you my Fall & Winter wine list.

With respect to the pairing of wine and food, I maintain a singular goal: *Offer food and wine pairings that our guests simply will not find anywhere else in Northwest Ohio.*

Our ever-changing list includes wines from Italy, France, Spain, Portugal, California, the Pacific Northwest, South America, Australia, South Africa, and many other locations.

I staunchly refrain from discriminating wines based upon price or style.

Quartino e Mezzo

The most exciting new feature of our wine list is this: *the quartino and the mezzo*, Sebastiano's Italiano's signature approach to "by-the-glass" wine service.

The *quartino* is a small decanter which holds a quarter of a liter, or roughly one-third of a regular 750 mL bottle. The *mezzo* is two-thirds of a 750 mL bottle, or roughly 17 ounces.

The *quartino* works great when you want a little more than a glass, and the *mezzo* works perfectly when you want a little less than a bottle!
